GREG HORSTMAN

Deputy Secretary Greg Horstman met with the Board and reported that the department is presently looking at space in this building where the department could move individuals together within their work section since right now employees for five different divisions are scattered throughout the building and hope to have this done by the end of summer. Greg also outlined the State budgetary problems in general. Cynthia Benning asked if there was a chance that legislation would be introduced again that would add a member from the Medical and Nursing Board to the Controlled Substances Board and provided Greg with a copy of previously drafted legislation. The board also addressed their concerns about appointing a psychiatrist to the board to fill the present vacancy.
